ProX XS-YMTF5W ATA Digital Audio Mixer Flight Case for Yamaha TF5 Console with Wheels

Description

ProX **XS-YMTF5W** ATA Digital Audio Mixer **Flight Case for Yamaha TF5 Console with Wheels**. Our custom-designed ATA-style road case is tailored specifically for your Live Mixer Console in the audio console industry, providing the highest level of protection and convenience for your valuable equipment.

The ATA-300 Flight Style Road Case with 2x Low Profile fixed caster wheels is a rugged solution for your equipment protection needs. Its interior is fortified with high-density foam for exceptional support, while recessed spring action handles on both sides make it easy to transport. The case is built to last with heavy-duty steel ball corners and dual anchor rivets, all encased in premium Series 3/8" plywood. Additionally, its industrial recessed butterfly twist lock latches, padlock-compatible, provide extra security for your valuable gear during transit and storage.

At the forefront of case design, **Honeycomb Digital™** by ProX Live Performance Gear® showcases a sleek hexagonal pattern. This unique style combines with top-notch gear protection, thanks to a high-quality laminate that shields against scuffs and scratches. Opt for excellence with Honeycomb Digital™.

Crafted with precision and top-quality materials, this road case ensures ultimate security during transportation, combining functionality and durability with its low-profile fixed wheels.
