### ProX XC-8PP10 10 Ft. Unbalanced 8-Ch. 1/4" TS to 1/4" TS Mono Male Snake

#### Description

ProX cables are built with uncompromised quality with excellent performance at each connection - Instrument cables, Speaker cables, RCA cables, DMX cables, Power cables and more. Our cables are made for professionals, by professionals.

The majority of professional audio equipment uses TS jacks as the standard unbalanced input or output line-level connector.

One end of this cable contains 8 molded connectors with TS plugs the other end contains a matching set of 8 TS connectors

#### Features

This snake is designed to interconnect professional audio equipment with unbalanced mono phone jacks. It is ideal for use in live-sound applications.
