ProX XC-TR1FM12-10 10 ft Male to Female 12AWG Power Cable for for PowerKon compatible devices

Description

The ProX **XC-TR1FM12-10 10 Ft. Male to Female Power ConnectionCompatible Link 12AWG Cable** is a 20A power patch cable.

The Power Connection is a locking 20 A main connector. It replaces appliance couplers wherever a very rugged solution in combination with a locking device is needed for a safe power connection. This cable/connector with breaking capacity (CBC), i.e. it can be connected or disconnected under load or live.

This cable is the ideal power cable for powering many professional audio devices. The Power Connection compatible connector is a 3-conductor, locking power connector which provides a safer power connection than the IEC 60320 C13/C14 connectors commonly found on consumer audio components, computers, power adapters, and other devices. The twist connector mates the ground contact before connecting the neutral and line contacts, ensuring an electrically safe connection.

Features
