ProX XC-DXLR100 100' Ft. Balanced Dual XLR-M to Dual XLR-F High Performance Audio Cable

Description

ProX **XC-DXLR100** 100' Ft. Balanced **Dual XLR-M to Dual XLR-F** High-Performance Audio Cable. ProX Live Performance Gear Cables are made to last you an entire lifetime. Each cable is made with high-quality materials and delivers a clear signal and connection each time. These cables are made by professionals for professionals like you. Each cable is built for High Performance and to withstand heavy everyday use.

Cable Type: Dual Cable

Connector 1: Dual XLR Male

Connector 2: Dual XLR Male

Specification: Balanced

The Build:

Our cables are plated with gold and silver connectors for superior signal transfer. 12 AWG – 93% Braided Oxygen-Free Copper (OFC) Conductors which provide an optimum signal transfer.

Quality Control:

We test every single cable to make sure each one performs to the best of its ability, which includes high performance and flexibility that can handle heavy everyday use. These cables are specifically designed to provide many years of crystal-clear sound and durability.

We make Instrument cables, Speaker cables, RCA cables, DMX cables, Power cables, and more. Our cables are made for professionals, by professionals.
