ProX XC-CLDRUM1 12" Cable Drum with Maintenance Free Axle Bearing, Drum Core Diameter 3", Drum Width: 3.5"-5"

Description

ProX **XC-CLDRUM1 12" Cable Drum** with Maintenance Free Axle Bearing, **Drum Core Diameter: 3" | Drum Width: 3.5"-5"**. Our 12" Cable Drum with Maintenance free Axle Bearing is a device used for spooling or winding cables, wires, ropes, or other materials. It features a maintenance-free axle bearing that requires no lubrication or regular upkeep, making it a reliable and low-maintenance option.

The drum has a core diameter of 3 inches, which means that the cable can be wound tightly and securely without slipping or becoming loose. The drum also has a variable width of 3.5 to 5 inches, which allows for the winding of a variety of cable sizes and lengths.

The cable drum is typically made of durable materials such as steel or aluminum, and can be used in a variety of applications, including industrial machinery, construction, and transportation. With its maintenance-free axle bearing and versatile design, this cable drum is an essential tool for anyone who needs to wind or store cables or other materials.

Features

- **For winding cables, wires, or ropes.**
- **No upkeep needed for the maintenance-free axle bearing.**
- **Secure winding with a 3-inch drum core diameter.**
- **Accommodates various cable sizes with 3.5-5 inch width.**
- **Made of durable steel or aluminum materials.**
- **Versatile design for different applications.**
- **Essential tool for cable winding and storage.**
