ProX T-12RSP 12U Space Shockproof Amp Rack ATA Flight Case 20" Depth

Description

The **ProX T-12RSP** 12U Space, Vertical, Shockproof amplifier rack case is the perfect storage solution for convenient security for a wide variety of amplifiers, pro DJ mixers, effects, and any other standard 19" width rack-mountable Pro Audio/DJ/Network gear.

Built with a heavy-duty construction design and dual mounting rails your equipment won't dislodge or slip, and strain on the rack ears will be minimized. These professional-grade products also include external spring-loaded handles and butterfly twist latches with included padlocks for added security. The hard rubber feet and walls will ensure maximum stability when on tour and stacking multiple units. As part of ProX Cases Signature Series line of products, the T-12RSP case is assembled with thicker 3/8" plywood for premium protection. In addition to the heavy duty design and convenient features of the T-12RSP, this case is coated with a beautiful black finish giving you a stylish, durable, and dependable product that will last a lifetime.
