ProX T-14RSP24WDST 14U Vertical 24" deep Rail to Rail Shockproof Amp/Rack Case w/ dual side tables and 4 Casters

Description

The ProX **T-14RSP24WDST** Workstation case with two side tables is your workshop on wheels. The T-14RSP24WDST Workstation Case is constructed with our Signature Series Plywood and reinforced steel ball corners for years of on the road use. The Workstation boasts a black honeycomb laminated finish with a sharp, modern look that fits right in with a variety of environments. The inside of the case features 1 1/2" Foam For Very Efficient Shock Protection

This case features a Shock Resistant rack space and two side work tables to keep your gear organized and easily accessible for your professional events. The 14 Unit Rack Space can be loaded from either side depending on your needs.

The T-14RSP24WDST Workstation case is easily transported with the included four professional grade casters for easy loading in and loading out at your events. The case also has recessed fold out handles on the sides for comfortable two people lifting.
