ProX XSQ-16x24PKG48 16FT x 24FT StageQ 12 Stage Platforms 4FT x 8FT Package Incl Height Adjustable 28-48 inch Legs

Description

The **ProX XSQ-12X24PKG48** contains all the necessary parts you need to create a 12-foot by 24-foot stage system that is adjustable from 28 Inch to 48 Inch Height. It does **NOT** include steps or guardrails that are available separately at additional cost. The included parts are listed below.

The **ProX XSQMK2 Heavy Duty Platform Series** is a convenient transportable staging solution that built tough and designed for maximum durability and safety. Engineered to minimize your set up time and effort with industry-leading design, materials, and precision production process. The XSQ-4X8 MK2 Platform is a single side, indoor and outdoor, weather-resistant, portable staging platform. Each stage platform includes four adjustable telescoping legs that adjust from 28" to 48" which are equipped with ball and socket adjustable leg base feet. These legs make it possible to quickly and precisely adjust the stage height. The non-slip textured laminated surface is built to hold up against the most demanding conditions. They are built to last and carry the ProX One Year (365 days) Limited Warranty
