ProX T-18RSS 18U Space Amp Rack Mount ATA Flight Case 19 Inch Depth W-Casters

Description

The **ProX T-18RSS 18 Space** 18U vertical amplifier rack case is the perfect storage solution for convenient security for a wide variety of amplifiers, pro DJ mixers, effects and any other standard 19" rack-mountable pro audio/DJ/Network gear. Built with a heavy-duty construction design and dual mounting rails your equipment won't dislodge or slip, and strain on the rack ears will be minimized. These professional-grade products also include external spring-loaded handles and butterfly twist latches which are padlock ready for added security. The rubber feet at the base will ensure maximum stability when stacking multiple units.

This **ProX ATA 300 Style Flight Case** is manufactured with the laminated surface design on 3/8" plywood. Made with the super-sleek

All ProX cases use CNC technology, during the manufacturing process, to assure that cases are consistently built with strict specifications and tolerances that are required for the high-quality standards that ProX cases have been known for since 1984.

Note: Any pictured device is shown for reference only and not included!
