ProX XTC-SQ656DOT-B 2M 6.56Ft. Lycra Cover Scrim Sleeve - Decorative Dot Pattern for 12In. Square Truss Segment - Set of 2

Description

The **ProX XTC-SQ656DOT-B 6.56 Ft. 2M** Set of Two, Black & White Dot Pattern Truss Lycra Truss Cover Sleeves are designed to fit any 12" box truss no matter the manufacturer. This ProX Truss Cover Sleeve gives your truss set up a smooth, finished appearance. Depending on your occasion you can add lighting inside or out to instantly create stunning effects. The stretchable Lycra fabric consists of 90% Polyester & 10% Spandex allowing it to conform to all your edges fitting like a glove on your 6.56 Ft. truss while giving your scene a sleek and uniform look. The Lycra fabric also allows for easy pullover installation and in case you have shorter segment lengths this cover can still be used by merely rolling it under. Truss cover sleeves are very versatile and can be used for all occasions; weddings, birthdays, Corporate events, product launches, etc. When done using your truss throw it in the washing machine to get it back to pristine condition, and because of the stretchy material it'll always be wrinkle-free; air dry is highly recommended. Also included is a ProX zip up bag to carry your Truss Cover Sleeve.

***Truss Sold Separately**

WARNING! These scrim products are for temporary use **ONLY** and **NOT** for permanent installation. Keep away from open flames, sparks, direct heat or any type of electrical fixtures and outlets. ProX Live Performance Gear is not responsible for any bodily injury or property damaged caused by misuse of this product. Scrims can be machine washed and air-dried only. Do not use harsh chemicals or chlorine bleach. Factory fire retardant loses effectiveness with washing and over time. Re-treat as needed.
