ProX XS-MH300X2W 300 Style Moving Head Transport Case for 2 Units

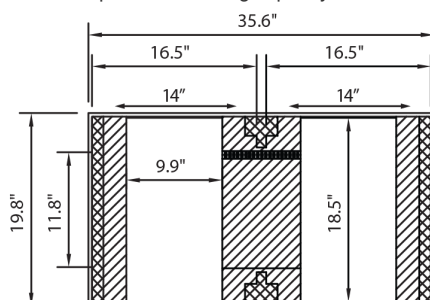

Description

The **ProX XS-MH300X2W** Flight case designed by ProX Cases is manufactured to fit many 300 style moving heads other moving heads with similar size, with the highest quality material and workmanship to give you the ultimate security for your moving head. Additionally, there is a storage area between the lights for cables, cords, etc. If you have a passion for your gear and want to keep it safe at all times, this case will perform at the highest level every time.

The ProX XS-MH300X2W is constructed with our rugged signature 3/8" Gig-Ready Series Plywood, durable 4" rubber wheels, reinforced steel ball corners.

This Durable and high quality moving head case is manufactured with the Honeycomb laminated surface Design. Made with the super-sleek look of Honeycomb hexagon grids on all shell surfaces, which gives the cases an almost alien look! Also as opposed to regular laminated plywood cases from other manufacturers, the ProX Honeycomb design helps prevent minor to mild scratches. The Honeycomb Digital line design was inspired by the design of New York City Street Manhole covers which are made to handle rough and tough everyday punishment.

All ProX cases during the manufacturing process use CNC technology to assure all cases are consistently built with strict specifications that are required for the high-quality standards that ProX cases is known for since 1984.
