### ProX XC-MEP12-326 32' Ft. Male NEMA 120VAC to 6-Outet Female Edison 12/3AWG Power Extension Cable

#### Description

ProX **XC-MEP12-326** 32' Ft. **Male 120VAC to 6-Outet Female Edison** 12/3AWG Power Extension Cable. These cables are made by professionals for professionals like you. Each cable is built for High Performance and to withstand heavy everyday use. These cables are rugged and can withstand most weather conditions and provide long-term resistance to everyday wear and tear.

#### The Build:

Our cables are plated with gold and silver connectors for superior signal transfer. 12 AWG – 93% Braided Oxygen-Free Copper (OFC) Conductors which provide an optimum signal transfer.

#### Quality Control:

We test every single cable to make sure each one performs to the best of its ability, which includes high performance and flexibility that can handle heavy everyday use. These cables are specifically designed to provide many years of crystal-clear sound and durability.

We make Instrument cables, Speaker cables, RCA cables, DMX cables, Power cables, and more. Our cables are made for professionals, by professionals.

#### Each cable consists of the following:

- 12 AWG (OFC) Oxygen-Free Copper Conductors
- 93% Braided Shield to eliminate noise
- Maximum Signal transfer and tone quality
- Long Lasting Highly Flexible PVC jacket
