ProX XF-5X3048B 5 Panel Black Frame DJ Facade W-Stainless Quick Release 180 Deg. Hinges

Description

The **ProX XF-5X3048B** DJ Facade adds value and class to any DJ, musician or stage setup. Made with lightweight, powder-coated aluminum, the ProX Direct DJ Facade comes with both White and Black scrims. Use the black scrims for a clean professional look or use the white scrims and add your own backlighting to create a fresh vibrant display.

Facades provide the look of an elegant professional work area; hides cables help protect equipment and assists with managing crowd control for the DJ! The panels are strong and lightweight, easily removable for cleaning and can be interchanged for color combinations using the black and white scrims included. The scrims are machine washable! Each panel is scratch resistant aluminum, finished in all black.

The light-weight translucent white scrim panels compliment Mobile DJ setups. Adding lights behind this ProX Facade to illuminate the panels allows lighting effects variety. Be creative! You can use any of our rectangular panels to create that perfect setup for your wedding, birthday party, or special event.

After the initial one time assembly, this portable 5-panel facade is a breeze to set up and tear down with its stainless steel, 180-degree quick release hinges. It not only comes with its own carry case but also carry bags for both the white and black scrims. Each panel's dimensions are 30" x 48"

WARNING! These scrim products are for temporary use **ONLY** and **NOT** for permanent installation. Keep away from open flames, sparks, direct heat or any type of electrical fixtures and outlets. ProX Live Performance Gear is not responsible for any bodily injury or property damaged caused by misuse of this product. Scrims can be machine washed and air-dried only. Do not use harsh chemicals or chlorine bleach. Factory fire retardant loses effectiveness with washing and over time. Re-treat as needed.
