ProX XC-TR112-XLR06 6' FT Dual Powerkon to XLR Dual Audio Combo Link Jumper Cable

Description

ProX **XC-TR112-XLR06 6' FT Dual Powerkon to XLR Dual Audio Combo Jumper Link Cable**. This cable is ideally used when you want to minimize running cables from power and audio to the desired sources. It saves you time and it is conveniently paired together. Avoid messy cables when multiple audio and power sources are needed. Each connecting side includes a PowerKon Connector and XLR 3-Pin Audio Connector.

ProX cables are built with uncompromised quality with excellent performance at each connection - Instrument cables, Speaker cables, RCA cables, DMX cables, Power cables and more. Our cables are made for professionals, by professionals.

93% braided OFC Copper Compact shield to reduce noise and protect pure sound transfer.
Compact cable diameter to decrease eddy currents.

Bending, Twisting, are no match for our high-performance tour-grade audio cables. They're designed to provide years of dependable sound reproduction and outlast every other cable on the market! Complete Coil technology demands consistent weave tolerances to create precise accuracy and detailed clarity. This is the most important part of the design and greatly affects performance.
