ProX XT-CSQ656 6.56FT 2M F34 Square Frame Circular Truss - 2 Segments | 2mm Wall

Description

The **ProX XT-CSQ656 6.56FT 2M F34 Square Frame Circular Truss - 2 Segments | 2mm Walls** part of one of the most trusted staging support systems in the industry and is built to the highest standards of safety and performance. It's a rugged and durable trussing solution perfect for live outdoor productions, nightclubs, and permanent installations. ProX XT Series Truss compares favorably to the other major trussing manufacturers. We manufacture with EN-AWT6 6082 Aluminum for safety and strength. Our XT series F34 square truss utilizes a standard conical connector system, which easily mates with other brands of the truss of the same size and connector type, and is available in a variety of lengths to suit your designs -- while our outstanding quality control and manufacturing techniques assure excellent fitment at every connection. ProX offers a wide variety of corners, base plates, connectors and accessories that add stability while expanding on limitless design configurations.

XT-CSQ656 CIRCLE DIMENSIONS

2 half circles = 6.56ft. 2m round
Includes connecting hardware set.
