ProX XC-8SXM10 10' Ft High-Performance 8-Channel Snake Cable XLR-M TO 1/4" TRS Balanced Audio Cable

Description

ProX **XC-8SXM10** 10' Ft High-Performance **8-Channel Snake Cable XLR-M to 1/4" TRS Balanced** Audio Cable. This Stage cable is an optimal choice for small clubs and live settings, featuring (8) Male XLR microphone-style cables on one end and 1/4" TS Mono plugs on the other. This high-quality snake cable is ideal for connecting instruments or on-stage effects to a Stage Box or snake.

With its superior build quality and reliable performance, this cable ensures clear and consistent sound transmission. Its versatile design makes it suitable for a wide range of applications, from live performances to studio recording sessions. Whether you are a **professional musician, sound engineer, or audio enthusiast**, this stage cable is an essential tool for delivering exceptional sound quality in any setting.

ProX Live Performance Gear Cables are made to last you an entire lifetime. Each cable is made with high-quality materials and delivers a clear signal and connection each time. These cables are made by professionals for professionals like you. Each cable is built for High Performance and to withstand heavy everyday use.

Cable Type: Multi-Channel Snake

Connector 1: 8-Channel XLR Male

Connector 2: 8-Channel 1/4" Stereo TRS
