ProX XS-SI3UDHW ATA Digital Audio Mixer Case for Soundcraft SI Performer 3 Expression 3 Console with Doghouse compartment and Caster wheels

Description

ProX **XS-SI3UDHW** ATA Digital Audio Mixer Flight Case **for Soundcraft SI Performer 3 Expression 3 Console with Doghouse compartment and Caster wheels**. Our custom-designed ATA road case has been meticulously crafted to cater specifically to Live Audio Mixing Engineers, offering the utmost protection and convenience for your valuable equipment.

Add-on Doghouse Compartment

What sets this case apart is its innovative doghouse compartment add-on, a game-changer for audio professionals. Hidden at the rear, this compartment incorporates a discreet door, allowing you to store and conceal all your cables, and input/outputs, providing seamless access to your cables when you need it.

Smooth Rolling Casters

Enhancing your mobility, the case is equipped with 4" casters featuring rubber wheels, making it effortless to transport your gear. Moreover, the cases' intelligently engineered low front panel grants quick and easy input access, ensuring a user-friendly experience.

The Build

Built to endure the rigors of the industry, this case boasts a robust construction using our rugged and enduring Signature Series Plywood, reinforced with sturdy steel ball corners. With this well-designed doghouse, you protect your equipment and enjoy the convenience of discreet cable storage and the ability to accommodate small rear accessories, making your operations a breeze.
