ProX XS-BX32CDHW ATA Digital Audio Mixer Flight Case for Behringer X32 Compact Console with Doghouse compartment and Caster wheels

Description

ProX **XS-BX32CDHW** ATA Digital Audio Mixer Flight Case for **Behringer X32 Compact Console with Doghouse compartment and Caster wheels**. Our custom-designed ATA-style road case is tailored specifically for your Live Mixer Console in the audio console industry, offering the highest level of protection and convenience for your valuable equipment.

The ATA-300 Flight Style Road Case is the ultimate choice for protecting your equipment. It features a convenient doghouse compartment for cable access and is equipped with 4 heavy-duty caster wheels, 2 of which are locking for stability. The interior is fortified with high-density foam for excellent support, and it boasts recessed spring action handles on both sides for easy transport. Built to withstand tough conditions, it includes heavy and powerful steel ball corners and dual anchor rivets, all enclosed in premium Series 3/8" plywood. The industrial recessed butterfly twist lock latches, padlock-compatible, offer additional security for your valuable gear during travel and storage.

Its robust construction features the utilization of rugged and enduring Signature Series Plywood, fortified with reinforced steel ball corners. The well-designed Doghouse enhances the case's functionality by providing discreet cable storage and accommodating small rear accessories, ensuring operational convenience.

At the forefront of case design, **Honeycomb Digital™** by ProX Live Performance Gear® showcases a sleek hexagonal pattern. This unique style combines with top-notch gear protection, thanks to a high-quality laminate that shields against scuffs and scratches.

Additionally, the case incorporates 4" Casters with rubber wheels, facilitating effortless mobility. With its intelligently engineered low front panel, the unit allows easy access to inputs, further enhancing the user experience.

Customer Testimonials

I bought this case in August of 2015. Originally I thought it was overpriced until it arrived. This case is absolutely, without a doubt, the finest quality and affords the best protection for my gear. Would I buy it again? DEFINATELY! It's that good. I use the top cover, with the front cover in place, as a side table when the mixer is set up at a gig. It works great to set all of the odds and ends that would otherwise be set on top of the mixer... God knows I'm not about to let that happen. GREAT CASE!

Thanks again, Neal S. Munson
