ProX XS-CHFCYCX8 ATA Flight Case Fits up to 8 Chauvet Freedom CYC Wireless Wireless Lighting Units

Description

ProX **XS-CHFCYCX8** ATA Flight Case Fits up to **8 Chauvet Freedom CYC Wireless** Lighting Units. Introducing the ProX XS-CHFCYCX8 Road Case, a pinnacle of excellence and craftsmanship, meticulously designed to safeguard your precious Chauvet Freedom Cyc Wireless Lights during the most demanding on-the-road journeys. This extraordinary case is crafted with our unrivaled Signature Series Gig Ready Plywood, a premium material known for its remarkable strength and durability, ensuring that your valuable equipment remains protected and intact throughout countless performances and tours. Each space can be used for a variety of other applications, **Each compartment contains (8) dimensions of: 7.5 x 5.8 x 5.4 in.**

Our relentless pursuit of excellence led us to incorporate robust and ergonomically engineered recessed handles, providing you with a seamless and comfortable grip, making transportation effortless, and reducing strain during load-ins and load-outs. To withstand the rigors of the touring lifestyle, we've fortified this road case with reinforced steel ball corners, an unmistakable symbol of longevity and resilience that will weather the test of time and keep your gear safeguarded under the harshest conditions.

Say goodbye to uncertainty and imprecision; the ProX XS-CHFCYCX8 **Road Case boasts fixed dividers**, precisely designed to secure your Chauvet Freedom Cyc Wireless Lights in a snug and tailored embrace. Each compartment has been meticulously measured and constructed to ensure an exact fit, eliminating any chance of movement during transit and providing the ultimate protection against shocks and impacts.

Whether you're a seasoned touring professional or an aspiring artist hitting the road for the first time, the ProX XS-CHFCYCX8 Road Case exemplifies our dedication to excellence, offering a masterful blend of craftsmanship, innovation, and security to preserve the integrity of your Chauvet Freedom Cyc Wireless Lights for years to come. Trust in ProX to safeguard your equipment and embark on your musical journey with unparalleled peace of mind.

* ProX Goes Green: The durable hard rubber foams used in our cases contain 70% recycled content. Of that 70%, 80% of it comes from recycled plastic bottles, and the remaining 20% from recycled post-industrial material. At ProX we strive to make the world a better place!
