ProX XS-M11LT ATA Flight Style Universal Road Case with Sliding Laptop Shelf for Pioneer DJM S11 RANE SEVENTY 70 SEVENTY 72 MK2

Description

ProX **XS-M11LT** ATA Flight Style **Universal Road Case with Sliding Laptop Shelf** for Pioneer DJM S11 RANE SEVENTY 70 / SEVENTY 72 MK2. This case is designed to offer your DJ Mixer the highest level of protection, making it an essential accessory for those who are passionate about their gear and want to always keep it safe. Crafted with the highest quality materials and superior workmanship, this hard case is built to last and perform at the highest level every time.

The rugged 3/8" Gig-Ready Series Plywood construction ensures maximum durability, while the reinforced steel ball corners provide added protection and easy stacking. The recessed steel padded handles and latches offer a comfortable grip and prevent damage during transport, making it the perfect choice for professional use.

Our DJ Mixer cases are also designed for convenience, with additional space for cables and small accessories in the back and underneath the unit. A removable front panel allows for easy access to the front input jacks, while the front removable panel provides easy access to the front controls and headphone/mic jacks. These features make it a practical and versatile choice for DJs who are always on the go.

Overall, this case is an indispensable accessory for DJs and professionals who are serious about protecting their valuable equipment and ensuring its longevity.

ProX Goes Green: The durable hard rubber foams used in our cases contain 70% recycled content. Of that 70%, 80% of it comes from recycled plastic bottles and the remaining 20% from recycled post-industrial material. At ProX we strive to make the world a better place!

At ProX, we pride ourselves on utilizing the most advanced manufacturing processes to ensure that our cases meet the highest quality standards. With our state-of-the-art CNC technology, we can consistently build cases with precision specifications and tolerances that have been the hallmark of ProX cases since our inception in 1984.

Note: Any pictured device is shown for reference only and not included!

For the safety of your equipment, do not attempt to transport with any gear stored on the sliding shelf and be aware that the shelf can be removed when slid out to its furthest point.
