ProX T-SM32 Adjustable Wall Mount Hinged Bracket for PA Speaker Installations - Black Finish

Description

ProX T-SM32 Adjustable Wall Mount Hinged Bracket for PA Speaker Installations - Black Finish. This bracket is meant for permanent installations which allow the speaker to sit 12" from the wall to speaker mount allowing access to the rear of the speaker – Supports up to 70 lbs. For mounting on flat surfaces only, drywall requires additional mounting hardware, it can be mounted to concrete or brick. The bracket can be set into two positions, up or down 45° and vertical 180° degree angles.

This bracket is great for A/V contractors and venues who want to create a simple and clean installation without using tall bulky stands or truss systems. For Indoor / Outdoor use and places such as Hall Venues, Nightclubs, Recording Studios, Art Galleries, Tradeshows, Auditoriums, and more. Black powder-coated finish.
