ProX XT-BT4HINGE BoltX 4' Ft Segment with Hinge Top Section for Ground Support Systems

Description

ProX **XT-BT4HINGE BoltX 4' Ft Segment with Hinge Top Section** for Ground Support Systems. This bolt truss hinge for ground support is the perfect solution for anyone in need of a trussing system that is both easy to handle and safe to use. The hinge is designed to conveniently fold up the column, allowing for a hassle-free setup and take-down process. This saves time and effort, while also ensuring maximum safety for everyone involved. The Bolt Truss Hinge is specifically built to support a 12-inch bolt truss, making it a versatile choice for a variety of applications.

Features

- **For BoltX™ and most 12-inch Truss brands**
- **Convenient foldable hinge**
- **Supports 12-inch bolt truss**
- **Ideal for DJ setups, bands, and events**
- **Sturdy construction and user-friendly design**
- **Reliable and safe trussing solution for professionals.**
