ProX T-SAACX2PKG Dual Crank System Package Adjustable Speaker-Subwoofer Pole M20 1-3/8" diameter - from 34"-52"

Description

ProX T-SAACX2PKG This Crank-up Subwoofer Pole package saves you time and muscle fatigue setting up your top boxes. Designed with the new breed of subwoofers equipped with Pole cup attachments, the **ProX T-SAA-C** Crank-up Subwoofer Pole attaches firmly and securely for worry-free speaker mounting. A folding hand crank attached to a high-quality rack and pinion system lets you extend the **T-SAA-C** Crank-up Subwoofer Pole from 34" all the way up to 52" **M20 Threaded Mount**

Tired of short poles that don't get your tops high enough? Don't like lifting your heavy tops up onto long poles? The **ProX T-SAA-C** Crank-up Extension Pole is the right answer for you. Put it in your sub, mount your speaker or lightweight truss, and crank it up! You couldn't ask for a more secure mount than the **T-SAA-C** Crank-up Subwoofer Pole is easily adjustable and gives you the precise height you desire every time.
