ProX T-TT Flight Case for Turntable - Universal W-Foam Kit

Description

The **ProX T-TT** Universal Turntable Case is a must-have item to efficiently protect and store your legendary turntables. While perfectly optimized for the classic Technics SL1200 size, this case will also fit most other popular turntables just as easily.

This ProX ATA 300 Style Road/Flight case is manufactured with the Honeycomb Digital™ laminated surface Design. Made with the super-sleek look of Honeycomb Digital™ hexagon grids on all shell surfaces, which gives the cases an almost alien look! Also as opposed to regular laminated plywood cases from other manufacturers, the ProX Honeycomb Digital™ design helps prevent minor to mild scratches. The Honeycomb Digital™ line design was inspired in 2009 by the design of New York City Street Manhole covers which are made to handle rough and tough everyday punishment.

All ProX cases use CNC technology, during the manufacturing process, to assure that cases are consistently built with strict specifications and tolerances that are required for the high-quality standards that ProX cases have been known for since 1984.

Note: Any pictured device is shown for reference only and not included!

Features

ProX has been manufacturing quality flight/road cases since 1984 and all are designed to protect your investment!

- ProX Standard Silver on Black Design
- ATA-300 Style Flight/Road Case
- Easy Locking Fit Aluminum Tongue and Groove
- ProX Branded Spring Action Recessed Handles
- ProX Heavy and Powerful Steel Ball Corners
- Dual Anchor Rivets
- Signature Series Honeycomb Digital™ Laminated 3/8" Plywood
- ProX Branded Industrial Recessed Butterfly Twist-Lock Latches - Padlock Ready

- **4 Industrial Grade Rubber Feet**
