ProX XS-TMC1012WLTFBTLBL Flight Coffin Case For 12" Rane 72 Mixer and 2 Turntables in Battle Mode W/ Laptop Shelf and Wheels Black on Black

Description

The **ProX XS-TMC1012WLTFBTLBL** Flight Coffin Case is For Rane 72 mixer and 2 Turntables in Battle Mode w/ Full Laptop Shelf with Black hardware on Black laminate. This case is constructed with ProX Gig Ready Signature Series 3/8" Plywood for complete protection of your investment. Standard on all our cases is steel, heavy-duty ball corners to withstand the rigorous travel that a pro-DJ demands. Black on Black modern design will turn heads and keep with the decor of any venue.

This ProX ATA 300 Style Road/Flight case is manufactured with the Honeycomb Digital™ laminated surface Design. Made with the super-sleek look of Honeycomb Digital™ hexagon grids on all shell surfaces, which gives the cases an almost alien look! Also as opposed to regular laminated plywood cases from other manufacturers, the ProX Honeycomb Digital™ design helps prevent minor to mild scratches. The Honeycomb Digital™ line design was inspired in 2009 by the design of New York City Street Manhole covers which are made to handle rough and tough everyday punishment.

All ProX cases use CNC technology, during the manufacturing process, to assure that cases are consistently built with strict specifications and tolerances that are required for the high-quality standards that ProX cases have been known for since 1984.
