ProX XS-TMC1012WLTFBTL Flight Case For Rane 72 Mixer and 2 Turntables in Battle Mode W-Laptop Shelf

Description

The **ProX XS-TMC1012WLTFBTL** Flight Road Coffin Case is For Rane 72 and 2 Turntables in Battle Mode W/ Full Laptop Shelf and is constructed with our rugged signature 3/8" Gig-Ready Series Plywood, reinforced steel ball corners for protection and easy stacking, and recessed steel padded handles and latches to protect them from damage during transport.

This ProX ATA 300 Style Road/Flight case is manufactured with the Honeycomb Digital™ laminated surface Design. Made with the super-sleek look of Honeycomb Digital™ hexagon grids on all shell surfaces, which gives the cases an almost alien look! Also as opposed to regular laminated plywood cases from other manufacturers, the ProX Honeycomb Digital™ design helps prevent minor to mild scratches.

All ProX cases use CNC technology, during the manufacturing process, to assure that cases are consistently built with strict specifications and tolerances that are required for the high-quality standards that ProX cases have been known for since 1984.

Note: Any pictured device is shown for reference only and not included!

Features

ProX has been manufacturing quality flight/road cases since 1984 and all are designed to protect your investment!
