### ProX XZF-MIDM32 For MIDAS M32 Console Flip-Ready Easy Retracting Console Case by ZCase

#### Description

ProX is a distributor of ZCASE® Flip-Ready™ Patented Hydraulic Lift Console Cases. Flip-Ready cases are made for easy transport and operation of your digital audio consoles and more. Typically, most console cases require two or more people to lift onto a table or stand. This live-in audio and lighting console case are made for a single user to transport, and roll in, and requires **NO MORE HEAVY LIFTING** – the console mechanism can be lifted vertically with the touch of one finger!

Our high-quality Flip-Ready™ Console cases are handcrafted in Poland by ZCASE® and are individually tested for quality assurance and functionality. This case is the answer to the prayers of every Audio and Lighting Technician who was faced with the challenge of setting up a FOH heavy console requiring two or more persons to transport and lift.

#### The Build

Our Flip-Ready ATA-300 Road Cases are exclusive by ProX North America. Made utilizing 1/2" and 3/8" Plywood. It's equipped with a large doghouse storage area with left/right openings for routing/storing cables and accessories. It has our signature Honeycomb Digital™ surface-protected Shiek hexagonal pattern laminate that protects against minor scuffs and scrapes. The gas-powered rotational mechanism easily lifts the console into position with no effort involved. (Patent pending by ZCASE®)

### Case Components
