ProX T-LPS800 Foldable Universal Laptop Stand with Utility Tray Black Finish

Description

The **ProX T-LPS800** *Foldable Universal Laptop Stand with Utility Tray and Black Finish* fits any size Laptop and the utility shelf is handy for External Hard drives, Audio Interface, etc. Collapsible and Portable, this stand is an essential tool for the traveling DJ or Musician. Most DJ booths and performance venues were not designed to accommodate a laptop, which creates a space problem for the DJ in many locations.

Deceptively simple at first glance, but quickly gives you perfect placement of your laptop in any DJ booth, without sacrificing sturdiness of the stand. Weighing only 4 pounds, the ProX T-LPS800 design is capable of supporting the weight of not only the heaviest laptop but also accommodates the largest CDJ, midi controller, EFX/Drum machines or lighting controller. The ProX T-LPS800 can alleviate many space issues. Folded flat, the ProX T-LPS800 is the perfect travel companion to your laptop. Unfolded, its striking industrial design comes to life and safely elevates your laptop above your work.
