ProX X-HH815 Headphone Pole Stand For Cases 12" Shaft with Rotating Hook

Description

The **ProX X-HH815 Headphone Pole Stand** is designed with the DJ in mind. It is built with a vertical pillar pole and a rotating hangar which makes hanging a pair of headphones on your rig, fast, easy and efficient. Prevent your headphones from falling and slipping. This device provides firm support to hang virtually any over the ear headphones. The headphones become more convenient to access and to prevent damage from dropping. It is easy to set up, very sturdy and with a solid feel, it can handle any weight headphones. This is a great addition to your performance rig and to make for a neater setup.

The easy to attach unit has an easy thumbscrew clamp at the bottom that will fit virtually any flight case vertical side. The rotating hangar bar is on a nylon tensioned connector to hold your headphones in any position you find convenient. The compact structure and small volume saves space. It is easy to bring along wherever you go.
