### ProX XSA-PILLAR6FT Lumo Stage Acrylic Pillar 6' Column Cube Section Display Pedestal and Base for LED DJ Stage Lighting Dance Floor

#### Description

ProX **XSA-PILLAR6FT Lumo Stage Acrylic Pillar** 6' Column Cube Section Display Pedestal and Base for LED DJ Stage Lighting Dance Floor. This acrylic stand is a great mobile display solution when you need a touch of elegance on the stage. It's quick and easy to install, with no tools necessary. The LumoStage Pillar is rugged and made with high-quality materials. Once applied with your choice of LED lighting this pillar becomes fully illuminated with vivid colors.

Each 22-inch stackable cube has a base for your lighting to stand on up to 3 levels. This gives you the option to add up to 3 lighting fixtures on each level. This versatile acrylic display can be used as a pedestal stands in bars, clubs, party halls, and retail displays. Add your own moving heads, par lighting, mirror balls, and other types of stage or DJ and Stage production products.

LumoStage Acrylic Platforms is rugged and made from high-grade aluminum framing and security clamp hardware. Each Stage includes white translucent plexiglass enclosed panels on two of four sides of each platform (closed when combined with a set of four or more platforms). **Unlock a world of imagination when it comes to LumoStage™ Pillar**
