ProX XSA-2X2-8 Lumo Stage Acrylic Stage 2'x'2x8" Platform Cube Light Box Section for Disco Style Dance Floor - Includes (2) Panels

Description

ProX **XSA-2X2-8** Lumo Stage Acrylic Stage 2'x'2x8" Platform Cube Light Box Section for Disco Style Dance Floor. Introducing **LumoStage™**, our acrylic cubed stage platform section – the perfect solution for creating an unforgettable dance floor experience. This innovative product is designed to allow you to mount your own lighting inside each cube, creating a stunning visual display that will leave your guests in awe.

These cubed platforms stand out when an LED lighting fixture, strip tape, or the **X-LUMOTREE** is placed inside the center of the unit. Each unit includes a pre-cut hole in the side panel to route power cables in and out. Multiple platforms can be stacked or arranged to create a variety of display configurations.

Crafted from high-quality acrylic material, this stage platform section is durable, easy to clean, and built to last. Its clear design allows the lighting to shine through, creating a mesmerizing effect that will enhance any event. **The cube measures 2'x'2x8"**, making it the perfect size for dancing and entertaining. It's easy to set up and can be used indoors or outdoors, making it a versatile addition to your event equipment collection.

Whether you're a professional event planner, DJ, or simply hosting a party, this Lumo Stage platform section is sure to impress your guests and create a memorable experience.

Lumo Stage can be connected in multiple units to form a stage, drum riser, DJ stand, or elevated dance floor. Each unit attaches to the others with provided interior security clamps. The underside is open (except for the support structure) to provide easy wiring and lighting installation. This product is ideal for disco clubs, party halls, lounges, weddings, trade shows, retail displays, home décor, and more.

- **Modular-style configuration**
- **Includes Top panel + (2) Side panels**
- **Security Clamps Included**
- **Floor Thickness .40" / 10mm**
- **White Translucent Acrylic**

The LumoStage contents of this model include a single 0.4" | 10mm top acrylic panel and (2) side panels. This product will be shipped unassembled.
