ProX XS-M12LT Universal ATA Flight Hard Road Gig Ready Case for Large Format 12" DJ Mixer w Glide Laptop Shelf

Description

The ProX XS-M12LT is the perfect companion for the state-of-the-art Mobile DJ, and includes a built-in sliding Laptop Shelf! Built with top grade heavy-duty materials, the XS-M12LT gives your DJ equipment protection with maximum durability, dependability and security.

The XS-M12LT with sliding laptop shelf is constructed with our rugged signature 3/8" Gig-Ready Series Plywood, durable rubber wheels, reinforced steel ball corners, as well as recessed steel padded handles and latches. There is additional space for cables and small accessories in the back and underneath the unit for convenience, as well as a removable front panel for you to access front input jacks easily. The front removable panel allows for easy access to the front controls and headphone/mic jacks.

The XS-M12LT has all the features you are looking for in a high-grade DJ Mixer Case. You will definitely be satisfied with this top of the line product from the signature series line of products from ProX Cases!

This ProX mixer case is manufactured with the Honey Comb laminated surface Design. Made with the super-sleek look of Honey Comb hexagon grids on all shell surfaces, which gives the cases an almost alien look! Also as opposed to regular laminated plywood cases from other manufacturers, the ProX Honey Comb design helps prevent minor to mild scratches. The Honey Comb Digital line design was inspired by the design of New York City Street Manhole covers which are made to handle rough and tough everyday punishment.

All ProX cases during the manufacturing process use CNC technology to assure all cases are consistently built with strict specifications that are required for the high-quality standards that ProX cases is known for since 1984.

• ProX Goes Green: The durable hard rubber foams used in our cases contain 70% recycled content. Of that 70%, 80% of it comes from recycled plastic bottles and the remaining 20% from the recycled post-industrial material. At ProX we strive to make the world a better place!
