ProX X-MS12 Pair of Monitor Speaker Platform Stands W/Rubberized Platform and Wide Base

Description

The ProX **X-MS12** Speaker Stands are a Twin Pack Monitor Pair of adjustable studio monitor stands with a rubberized pedestal surface to protect your speakers. The adjustable height of each stand is from 35 Inches to a maximum of 46 inches and have a wide base for stability and safety. Each has a 100lb weight capacity. The **X-MS12** monitor speaker stands are black finish, each weighing 16lbs.

ProX professional monitor speaker stands are essential for musicians, mobile DJs, and anyone who needs quick, reliable and convenient monitor speaker setup. These are perfect anywhere you need to place nearfield monitors but have tight space requirements. The triangular metal bases have adjustable leveling screws for irregular surfaces.
