ProX XT-TRUSSCERT ProX Truss Engineering Certification for F34 - Design by Clark Reder®

Description

The **ProX XT-TRUSSCERT ProX Truss Engineering Certification** is offered through a special program created for ProX Live Entertainment Gear®. We are able to offer our customers a discounted rate for design certifications utilizing [ProX F34 SQ Series](#) Trussing. This pricing for SKU XT-TRUSSCERT is **ONLY available through ProX dealers** and **NOT** from Clark Reder® directly. **THE ENGINEERING BEHIND ENTERTAINMENT®**

Costs vary and each design is price quoted individually by Clark Reder!

Clark Reder Engineering® is a full service consulting engineering firm serving the entertainment industry. The Principals, Jeff Reder, and Daniel Clark have over thirty years of combined experience in entertainment engineering, new building design, building renovations, and construction services.

They are qualified to promptly handle any structural engineering challenge. They pride themselves on understanding how entertainment structures are built and used. They use that knowledge to design economical and realistic permanent and temporary entertainment structures.

Features

[Clark Reder Structural Engineering®](#) is licensed to work in all 50 states, Puerto Rico, Guam, the District of Columbia, Alberta, British Columbia, Manitoba, Ontario, and Saskatchewan Canada.

Suggested Shipping Method: Parcel
