ProX X-2UE ProX X-2UE 2U Deluxe Effects Rack 14" deep Rail to Rail w/ handles

Description

The X-2UE offers the best protection available in its class for professional audio equipment and DJ gear.

Its 14 " depth and dual rack rails make it perfectly suited for rack-mountable effects units, DJ filters and effects, signal processors such as compressors and EQs, and much more!

Whether you're on the road, in the air, or in the club, you know that your gear will be safe and secure. This is because each and every ProX case is ruggedly tested under the most stringent conditions to meet our state-of-the-art quality control standards. These professional-grade products also include external spring-loaded handles and butterfly twist latches. The rubber feet at the base will ensure maximum stability when stacking multiple units. As part of ProX Cases Premium Series line of products, the X-2UE case is assembled with 1/4" plywood for premium protection. In addition to the heavy duty design and convenient features of the X-2UE, this case is coated with a beautiful black finish giving you a stylish, durable, and dependable product that will last a lifetime.
