### ProX T-LPS600R RED Foldable Portable Laptop Stand W/Adjustable Shelf

#### Description

The **ProX T-LPS600R** Collapsible and Portable Laptop stand, Includes Shelf and Carry Bag is an essential tool for the traveling DJ or Musician. Most DJ booths and performance venues were not designed to accommodate a laptop, which creates a hassle for the DJ in many places.

Deceptively simple at first glance, but quickly gives you perfect placement of your laptop in any DJ booth, without sacrificing sturdiness of the stand. Unfolded, its striking industrial design comes to life and safely elevates your laptop above your work.
