ProX XF-VISTABAG Replacement Carrying Bag for Vista DJ Facade Booth Workstation and Table

Description

The ProX XF-VISTA BAG DJ Facade Carry padded bag is the easiest way to transport your facade system. The bag is designed to store and protect [XF-VISTAMK2](#) . So if you are looking to house a facade or any equipment of similar size this bag will work for you to transport your gear with ease. ProX offers an outstanding array of heavily protected cases and bags to protect your performance equipment. With using ProX Bags or Cases you can feel confident your equipment is safe and protected against. When it comes to your gear, you can rest assured that you can trust ProX for the ultimate in protection.

Features

This rugged and stylish bag will protect your DJ Stands, Lighting, and Mobile Accessories. It can be used as a utility bag for cables, connectors and more. Manufactured from durable nylon with the unique ProX Honeycomb Digital hexagonal patterned design. The carrying straps are dependable positioned to carry each load evenly. The interior is made of padded soft material to provide additional protection while gigging or on tour. This bag can also be used for carrying large poster frames or canvas prints. The strong and durable double-ended red zipper complements the design of the bag.

(This is for the replacement bag ONLY – Facade or any other items shown are not included).
