ProX XF-STTFB Replacement Scrim Set Black – For 6 FT Table Top Facade Incl. 2 Front Panels and 2 Side Panels

Description

The **ProX XF-STTFB Black Replacement Scrim Set** for the [XF-TTFW](#) and [XF-TTFB](#) Tabletop Facades is a great way to keep your tabletop facade looking new. The stretch fabric panels are easily removable for cleaning. **Facade Frame NOT Included!**

Tabletop facades are very versatile and can be used for all occasions; weddings, birthdays, corporate events, product launches, etc. When the scrims get dirty throw them in the washing machine to get back to pristine condition, and because of the stretchy material it'll always be wrinkle-free; air dry is highly recommended.

WARNING! These scrim products are for temporary use ONLY and NOT for permanent installation. Keep away from open flames, sparks, direct heat, or any type of electrical fixtures and outlets. ProX Live Performance Gear is not responsible for any bodily injury or property damage caused by misuse of this product. Scrims can be machine washed and air-dried only. Do not use harsh chemicals or chlorine bleach. Factory fire retardant loses effectiveness with washing and over time. Re-treat as needed.
