#### Description

The ProX T-SS18P professional speaker stands are essential for on-the-go musicians, mobile DJs, and anyone who needs quick, convenient PA setup. Day in and day out, this all iron and aluminum stand adjusts to your needs quickly and easily and stays that way until after the show, where you'll appreciate how quickly it collapses for transport. Focus on your performance instead of your equipment. Newly designed locking pin mechanism keeps tubing protected and locks vertically and horizontally. This stand also features all metal joints making this a real heavy duty stand. As a package, you get 2 aluminum stands as well as a double carrying case for ease of transport.
