ProX T-QFC12X4 Set of (4) Quick 90° Folding Moving Head Clamp Adapters with T-C12 Truss Clamp 2 in. Diameter Black Finish - Max Load: 330 lbs

Description

ProX **T-QFC12X4 Set of (4) Quick 90° Folding Clamp Adapters** with T-C12 Truss Clamp **2 in. Diameter** - Black Finish The ProX T-QFC12X4 is a folding moving head adapter with an attached T-C12 trigger clamp, providing the ultimate solution for securely mounting your moving head lighting units with ease. This innovative product streamlines your setup process and protects your equipment during transit.

The 90° Folding Clamp Adapter features a hinge mechanism, allowing it to fold discreetly when not in use, preventing the clamps from protruding from the flight case. The T-QFC12X4 ensures a stable and reliable mounting solution, providing a secure setup for any event or performance. The **M12 Hex Bolt** enables quick and secure mounting, ensuring a firm grip on your lighting unit.

Crafted with heavy-duty construction, the ProX Folding Clamp Adapters withstand the rigors of professional use. With an impressive **maximum load capacity of 330 lbs**, your lighting fixtures remain safe and stable during operation. The sleek black finish adds a touch of professionalism, complementing your lighting units, truss systems, and flight case aesthetics.

Ideal for concerts, live performances, theater productions, and corporate events, the ProX Folding Clamp Adapters save valuable setup and tear-down time during busy events. Whether you're a lighting technician or a touring artist, this practical and space-saving solution leaves the clamps mounted to the lighting units, ensuring a lifetime of safety.
