ProX XSQ-ST5 StageQ™ Heavy Duty Foldable 40 Inch 5 Step Unit

Description

The **ProX XSQ-ST5** StageQ Heavy Duty Step is the perfect step for the ProX StageQ Heavy Duty Platform Series Stage built with industry-leading materials and precision production processes. The steps are made of high-quality steel and aluminum and come with removable guardrails for both sides.

This 5-step unit has an anti-slip surface for each step. It securely latches on to the stage and reaches 40" from the ground.

Features

- **Steps constructed with 7/8'' (22 mm) thick exterior rated plywood deck has virtually zero voids**
- **High strength, non-slip textured finish black laminate top surface for durability and moisture resistance**
- **Stair units lock into platform extrusion with no loose parts or special tools required**
- **Removable aluminum handrails allow for easy transport and storage**
- **For use with all ProX StageQ™ platforms**
- **ProX One Year (365 days) Limited Warranty**
