ProX XSFP-8x8-8 StageX 8FT x 8FT x 24" Complete Stage System Package

Description

This **ProX XSFP-8x8-24** Portable StageX package gives you a stage that's 8FT x 8FT x 24". It includes (4) 4' x 4' Non-skid Industrial finish surface Stage and (4) 24" risers. The ProX StageX is the best solution for anyone looking for durable, dependable and affordable stages.

Each stage integrates a sleek laminated Honeycomb pattern laminated into the surface to provide added non-skid protection, yet it's still smooth enough to dance on. It is rugged enough to withstand various types of uses including: chair risers, tent flooring, fashion runways/catwalks, sound wings/troughs, orchestra pit covers, ceremony risers, etc.

Each StageX platform is constructed from an all-aluminum extruded frame, The Surface is constructed with 5/8 inch high-density plywood with 6061T6 aluminum profile on all sides and is able to support up to 185 lbs./sq. ft. (900kg/sq. meter) of evenly distributed live load. Each stage is equipped with an integrated platform interlocking system; the locks are built into the frame for quick connecting of multiple stages to one another and also allows easy set-up of risers. The StageX Portable Stages are strong, easy to set-up, have a professional appearance.
