ProX X-604LED TITAN, Moonflower Style Effect Fixture

Description

If you're looking for flexible, full-color lighting for any size party, look no further! The Titan is a unique and powerful fixture that projects moon flower style effects in an incredibly small and cost-effective package. Plug-N-Play functionality makes it easy to find that perfect placement, and the Titan's 18 LEDs will outshine any comparable fixture for over 100,000 hours. An incredible value for anyone who needs bright, exciting full-color RGB effects in a compact enclosure, the Titan's sound-activated pattern shifting make it incredibly easy to bring your party to the next level! Perfect for any size gathering from house parties to larger venues, the Xstatic Titan is a welcome addition to every event!
