ProX Table Mounting Latch System Replacement for Case Lid

Description

Introducing X-TABLE-LATCH, our Table Mounting Latch Accessory Replacement, a reliable and convenient solution for securing equipment to tables with ease. Designed with versatility in mind, this latch accessory is perfect for a variety of applications, including securing laptops, tablets, lighting controllers, and more.

Crafted from durable materials, our table mounting latch ensures stability and security, giving you peace of mind during performances, presentations, or events. Its adjustable design allows for a customized fit to accommodate different table thicknesses, while the quick-release mechanism ensures effortless installation and removal as needed.

Whether you're a DJ, presenter, or event organizer, our table mounting latch accessory offers a practical and efficient way to keep your equipment securely in place. Say goodbye to worries about equipment sliding or shifting during use, and focus on delivering a flawless performance or presentation every time.

Table Mounting Latch System for Case Lid. Allows you to create a table with only one set of table legs. Allows a Flight Case Lid to be attached to the side of the Case, and used as a table. Traditionally, two mounting latches would be used for stability.
