ProX XM-1201 UltronX SMALL Water Air sealed ABS Molded Portable Storage Case for Audio Camera Tactical includes cut pluck foam - 17x13x9 in.

Description

Introducing the **UltronX™** ABS molded case with Pluck-n-pak™ diced foam – the ultimate gear protection solution! This exceptional case is designed to elevate your experience, no matter your profession. From live audio pros to **photographers, videographers, military personnel, emergency responders, gun owners, and more** – this case is your all-in-one answer!

What makes this case stand out is its **Pluck-n-pak™ diced foam interior**. You have the power to shape it to perfection, ensuring your gear fits like a glove and stays secure during every journey. Say goodbye to worrying about your valuable equipment during transport or storage!

But wait, there's more! This case comes loaded with fantastic features. The **weather seal ring** guarantees protection from the elements, keeping your gear intact and pristine. And the air-pressure release valve is a game-changer, especially during air travel, ensuring your case remains sealed and airtight.

And here's the cherry on top – **wheels and a pull-out handle**. Embrace the convenience and ease of transport like never before. No more lugging heavy gear around – simply roll it with ease and make your journey a breeze!

Calling all audio maestros, visual storytellers, and fearless adventurers – this ABS molded case is tailor-made for you. With its customizable interior, weatherproof assurance, air-pressure release valve, smooth-rolling wheels, and pull-out handle, it's a must-have companion for your valuable gear. Upgrade your gear protection game today and watch as this extraordinary case takes your creativity and passion to unprecedented heights!

All third-party products shown are not included and are for display purposes only.
