ProX X-426LED WISP Derby 2 x 12 Watt 4-in1 Ultrabright RGBW LEDs LED Stage Effect Light

Description

Xstatic Pro Lighting Wisp X-426LED RGBW Derby Effect Lighting Fixture

Electrify your audience with the new, multi-faceted Wisp X-426LED from Xstatic Pro Lighting! Set the tone for venues large and small with the Wisp's two high-powered, Ultrabright LEDs with compatibility for 6-channel DMX-512, with derby effect. A variety of shape-shifting patterns complement the stunning range of color on display with the X-426LED, producing Red, Green, Blue, Purple, Yellow, Cyan, White & more. Optimized for the late, late night on the dancefloor with sound-activated programming and a very low level of power consumption and heat output, the Xstatic Wisp provides all the lighting you'll need in a compact and lightweight package.

Wisp X-426LED Features:

- 2 x 12W 4-in-1 Ultrabright RGBW LEDs
- Internal rotation coverage angle of 0-260A? with a wide range of color production capabilities
- Runs extremely cool with low heat output and power consumption, for extended use
- Extremely long LED lifetime, rated at 100,000 hours
- 4-button LED display on the rear panel for easy access and control
- Master/Slave linkable via DMX cable with 6-channel DMX-512 control and derby effect
- Continuous rotation or back and forth motor control with 60 built-in programming options
- Built-in sound-activated programming with a strobe effect, static colors, and multi-color patterning

LEDs produce a variety of color effects
