ProX X-S300RGB-KIT Xstatic 300 RGB LED Strip kit 16.5FT Remote control & power supply included

Description

The **Xstatic Pro Lighting X-S300RGB-KIT** is an IP65 rated, 5 meter (16.4FT), 12V RGB LED kit that includes a power supply, IR control box, and remote. The X-S300RGB-KIT features 300 pcs 5050 SMD LEDs, 60 LEDs per meter, and is the perfect choice for all ranges of decor lighting. This flexible RGB LED strip is perfect for cabinet lighting, under-cabinet lighting, cove lighting, task lighting, bookshelf lighting, Nightclub and Bar lighting, and any other applications where there are restrictions in space. The IR Control box and remote enables quick and easy installation without the need for a DMX controller. This is the perfect, cost-effective solution for any application. High output, low heat, and simple setup make this kit the ideal product for a variety of uses.
