ProX XS-ZTABLEWH Z-Table Folding DJ Table Mobile Workstation Flight Case Style with Handles and Wheels - Black White Finish

Description

ProX **XS-ZTABLEWH Z-Table Folding DJ Table Mobile Workstation** Flight Case Style with Handles and Wheels - **Black White Finish**. Introducing the ProX XS-ZTABLE WH DJ Z-Table® Workstation - the ultimate portable solution for DJs and live audio pros! Easily set up and collapse this sleek black and white flight case table.

Its **48" x 25" surface** provides ample space for your latest controller and gear, keeping everything within immediate reach. The table stands at the perfect height of 3ft and can **support up to 200 lbs.** evenly distributed. Thanks to its durable low-profile wheels, transporting the DJ Z-Table® is effortless. Crafted with industrial-strength materials, you can trust the quality you expect from ProX Cases.

When it's time to hit the road, simply stow the Z legs inside the case, reducing its **dimensions (folded) to 48 x 25 x 10 inches** for easy transport. Built with Honeycomb Digital™ Protective Finish on Gig Ready™ Laminated 3/8" plywood, this ProX ATA 300 Case looks sleek with its hexagon grid design and provides excellent protection against minor scratches. Inspired by the ruggedness of New York City Street Manhole covers, this case can handle rough and tough everyday use.

Rest assured, all ProX cases are precision-built using CNC technology, maintaining the high-quality standards they've been known for since 1984.
